**Hunter College
Department of Biological Sciences
HN-927, 212-772-5293**

If both BIOL 10000 & 10200 are on your transcript:

Please email the following information to tnicosia@genectr.hunter.cuny.edu:

First & last name

CUNYFirst eight-digit EMPL ID #

Last four of your SS #

The college where you took the courses

The name & number of the courses at the previous college

State whether you are requesting Pluralism C or D

Please ensure that "Pluralism & Diversity" is the subject of your email.

If either BIOL 10000 or BIOL 10200 is on your transcript as an elective:

Please have your course(s) evaluated by the Department of Biological Sciences using the [Course Evaluation Request Form](#).

Once your courses have been evaluated, follow the steps listed above.

Once your request has been processed, an email will be sent to the Registrar authorizing you to use BIOL 10000 & BIOL 10200 for Pluralism & Diversity (you will be CC'd on this email). Once this email has been sent, any questions about processing time should be directed to the Registrar's office.
